JANUARY 2020

Happy New Year! Can you believe it?

I thank each and every one of you that makes this chapter great! It is amazing how much can be accomplished with Team Work!

Thank you to everyone that came and helped in December with the Breakfast with Santa, the Toy Wrapping Party and of course the Santa Sleigh Ride! Amazing! We had our December Catfish dinner and we ended the month with our Holiday Party at Brogue's Down Under. This was so much FUN!

Congratulations to Don Hotchkiss and Elaine Flores as our new 2019 - 2020 Couple of the Year. They worked really hard on finding us a new recipient of the Santa Sleigh Ride. They have no idea how that helped me.

Congratulations to Don Scantlan our Person of the Year for 2019 - 2020. Amazing job with Tech Talk each and every month, being the Jolly Santa and the change for Riding Around the State. Again, this has helped us so much!

As you know we can't do it all alone, and new ideas are always welcomed.

2020 is going to be a great year with FL2-A, We have a lot of great ideas for the upcoming year and we can always use more! All we need is you and your ideas and **participation!**

We have multiple ways for reminders on rides. The Call-Multiplier recordings and GroupWorks with the ability to RSVP, our newsletter with the calendar attached and Shutterfly. All so YOU can join us in the FUN!

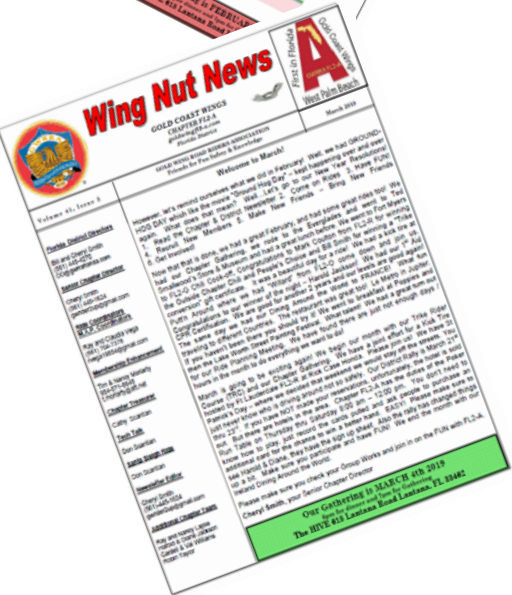

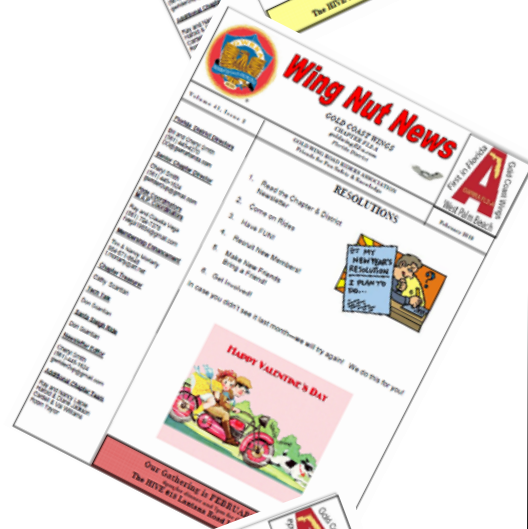

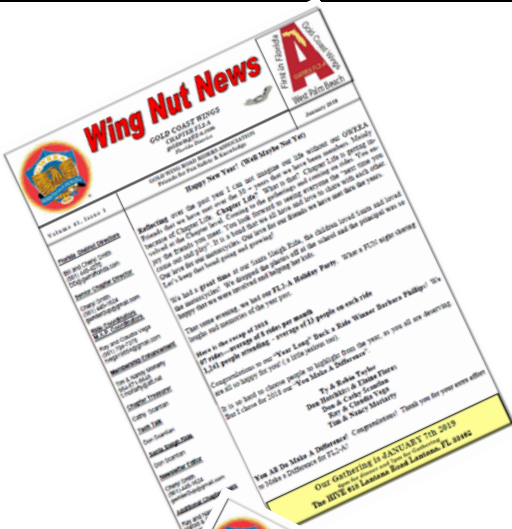

Thank you again for our Team Officers, Nancy Moriarty my Assistant Chapter Director, she is doing a great job and has some great ideas that will be started this year. Tim Moriarty, Membership Enhancement and the FUN part of the chapter (we love Tim's jokes!) Cathy Scantlan, our Treasurer can't live without her! Ray & Claudia our Ride Coordinators / Motorist Awareness, and Photographer, keeping us safe and smart and memorable!

We are always looking for new ideas for the coming year. If you have an idea and are willing to share it, please let us know! All are invited to attend the Planning Dinner / Meeting. Just RSVP.

Goodbye 2019!!!

Welcome 2020!!!

We want to wish everyone a Happy and Healthy New Year!!!!

Another year gone by. Tim and I had a lot of things that happened during the past year some of them good and some of them not so good but over all the good things outweighed the bad. I am not going to go on and on about what we did or didn't do but move right along into 2020 (as if I had a different option).

We both are looking forward to doing a lot of traveling in 2020, both with our GWRRA family and some without. As I look at the 2020 Calendar it is already filling up. Chapter Conference, St Augustine, Rallies, Florida District Rally and various other rides and adventures.

Tim is ready to get back on Misty and start riding. Today he took her out for a short ride to see how it would feel. He didn't go far just a few miles to get gas and back, but it was a start. When he got back my first words were how did it feel? The response was It felt great. I can say that he is not ready to go for a long ride yet, but short ones are in the very near future.

The Florida District Rally is right around the corner. Don't forget to make your reservations and register for the rally.

Please bring your sold ticket stubs and monies to the Chapter Gathering on January 6th.

See you then!

Nancy

Tim & Nancy Moriarty Membership Enhancement

A new decade, 2020. What will the 2020's bring?

I did a quick look back at 1920, the start of the "Roaring Twenties" In 1920 women received the right to vote, the Volstead Act started prohibition, the League of Nations was formed (58 countries joined, US did not). President Wilson suffered a blood clot which left him incapacitated. For the remainder of his term his wife Edith actually ran the country. More people lived in cities than in rural areas. The first commercial radio station, KDKA, signed on in Pittsburg. The population was 106,021,537. My father was 10 years old. Will we experience our own "Roaring Twenties"? Time will tell.

Now that the holidays are over I hope you all shared good times with family and friends. I am looking forward to creating new memories with all of you.

Membership in GWRRA and in Chapter FL2-A is a great way to meet and make new friends so please continue to be a member. I have been told many times that Wing World magazine and the Gold Book are worth the price of membership.

So onward into the new decade.

Ride and drive safe,
Tim Moriarty

Chapter Ride Coordinator and Educator Corner

By Ray & Claudia Vega

As we close the books on 2019, we look forward to a great 2020. We had a great year for rides and FUN with our GWRRA friends and family. Even though it is still a little rough for Claudia and me and many rides and events we had to participate or attend in the car, but it was still FUN. We visited a lot of our neighboring Chapters and attended as many Chapter and District events as we could, including Wing Ding. I did get to ride my trike in the toy run parade – which was lots of FUN!

Our GWRRA motto is “Friends for FUN, SAFETY and KNOWLEDGE”. We have the FUN down pat, but we also do our fair share of SAFETY and KNOWLEDGE. I recapped our numbers for the Rider Education Program and some of the safety and knowledge we gathered in my December newsletter article. I think we can be proud as a Chapter that we were able to take a Trike riding course and a BRC2 riding course last year – which will be offering again in 2020. But we also had 19 members participate in the Road Captains course and 22 members attended the First Aid / CPR course. Not to mention the courses members took at the District Rally or Wing Ding. Not a bad year for education.

We still have some space available in the TRC – Trike Riding Course, which was mentioned at the December gathering. It is being offered on Sunday, February 9, 2020 beginning at 8:00 am. Classroom portion will be at the Safety Council of PBC followed by the range portion in Wellington. For more information and to sign up, please see me at the January gathering. A \$30.00 deposit is needed to reserve your spot.

As Claudia and I look forward to a FUN filled 2020 with all of our GWRRA friends and family, we would like to wish everyone a healthy and Happy New Year – Feliz Anos Nuevo!

Backing Bashers

It Shouldn't Be a Surprise When a Car Backs Out of a Parking Space.

You've made a quick trip to the store to buy some plastic ties. With your purchase safely stowed in a saddlebag, you strap on your helmet, zip up your jacket, slip on your gloves, and start the engine. You're anxious to get home and continue a wiring project. With a quick look around, you kick up the side stand and accelerate away from your parking spot.

Riding down the lane between the rows of parked cars, you watch for stray shopping carts, children darting between cars and other drivers turning into the lane the wrong way. The lane is clear except for a man loading some bags into the trunk of a car ahead on your right. When he goes around to the passenger side, you assume he is still loading, and not about to drive away.

The instant the passenger door closes, however, the car is already backing out into your path. You reach for the brakes and attempt to make a quick stop, but the car backs out so quickly that you can't stop short of slamming your front tire into the car's bumper. It's a minor collision, but now you're confronted by two angry men who claim it was your fault. Apparently, there was a driver in the car just waiting for the passenger to get in. Since you couldn't see the driver, he couldn't see you either.

Any vehicle with people getting in or out should be suspect of possible sudden movement. You should keep your attention focused on the action around a car, rather than allowing your mind to wander to what you are going to do later. If you slow down, you can give yourself more time to react to whatever might happen. And you will be better prepared for a quick stop if you cover the clutch and front brake levers

Let's discuss this at the next Chapter gathering – bring me your questions and stories when you were in this situation. In the mean time let's ride and have some FUN!

Traveling the country by motorcycle. Bill & I are fortunate to be able to attend a lot of the District District Rally. It is a FUN, you meet new members and recruits who members you haven't seen but only at district. FUN! I would love for you to join us on some of these trips we take and see what FUN it is!

We have been from our district and we are in Tennessee Rally, we had a great time participating in the rally. Way to go Florida District 1st place Challenge! We had some riding in the district and we are in Tennessee Rally, we had a great time in Virginia, to help out my sister's ride. Thank you all for your thoughts and prayers, please keep them coming. We will come and ride to the Panhandle District Rally where 10 members from Florida joined us! Congratulations Florida Largest District Rally. On the way back we were able to meet up with our son David and girlfriend Payton in Altamonte PA for lunch the last in NYC. Had a nice time and though the new road was a bit rough, it was a nice home on back roads. Back roads are so relaxing and less stress than highways. You get to see more and smell the fresh grass and see some cool stuff!

I want to Thank Don & Cathy Scanlon for leading the Correct the Dot Ride visiting Chapters. I want to Thank the participating chapters that joined and rode from the beginning to the end and also ones that rode time to meet with them. That is what it is about, meeting new people and joining in. Thank you again! Hopefully next time we can get more people from our chapter to join.

We had a great time on our mid-week ride to Call 26, the day was gorgeous and the ride around the lake was FUN!

As Tim says in his article, sometimes you need a break and just look out the back door and see what is there. Come Ride with us!

Your Chapter Team spends a lot of time finding FUN things for us to do. Check out the calendar and save the dates for rides and join us.

Rick & Pam Northrop Senior District Ride Educators & Chelsea too!

If I only knew how to sing I would break out in happy song but..... that's not going to happen, sorry. I don't want to hurt anyone's ears. So, I'll just wish you all a very Merry Christmas and a very, very Happy New Year! I trust you will have a safe, joyous and blessed holiday season!

On Thursday, December 5th there were a group of folks that came together from the Ft Myers and surrounding chapters, that worked together to clean off the range and helped Denis Turcotte and me paint it for the TRC class as well as an ARC class.

We now have it ready to accommodate ARC classes. I am in the process of getting another ARC Instructor to assist Ray Vega to conduct the ARC classes there. As soon as we get a date set for the class it will be posted on the district website as well as notifying each chapter in the area. Please be patient. It is coming.

Pam and I had a surprise visit from our grandson this past week. He is home on leave from the Navy for 14 days. Not only a surprise for us but he didn't tell his mother and we dropped him off at her front door. I thought she was going to kill me. LOL She knew nothing at all about him coming for Christmas. SURPRISE!!

Pam and I do a charity thing every year at this time, we ring the bells for the Salvation Army. It's just the thing we do. While doing it we see some sights as you can well imagine. Some of the worst are the traffic issues. People are not paying attention to their driving. There are so many distractions right now due to all the different Christmas displays, peoples costumes, parades, etc. It is a dangerous time to be out on the roads. Especially for motorcycles! If you are out on your great steed please be extra diligent. Be ever alert! Put your head on a swivel like you never have ever before. Spin it 360. They are not looking out for you so look out for them!

If you want to go out and look at the beautiful Christmas lights please relax and take your four wheeler. Pick a designated driver and switch off so all can see and all are safe. Common sense is the rule. Most of all, be safe and enjoy!

And something that may be furthest from your mind are those raffle tickets but, hey, they could be good stocking stuffers! Might make a gift to mail to friends? Okay, I'm just trying to help. Yes, I do have a few thousand left to get out before the rally. So, if your chapter needs some please let me know and I'll get them to you.

So hard to believe the Chapter Conference is staring us in the face. Right after Shrimp 'R' Us on Jan 1 then the Conference on Jan 11, 12. WOW, right around the corner. Well, I hope to see many of you there! Until then please remember to

MOTORIST AWARENESS IS EVERYWHERE

by Claudia Vega

The year has come to an end and so has the holiday season. You might have thought the traffic was heavy during the holiday season, but you have not seen anything yet. As the New Year begins the kids are back at school and our snowbirds are down south, which may not know our roads and may only drive a car when at their winter home. This equals to a lot more traffic. We already know that drivers don't see us on motorcycles, so we have to think of better ways to be seen and make motorists be aware of us. We have to remember to not ride in blind spots, ride in the best lane position, and wear clothes we can be seen in.

We also have to put our best foot forward and show the driving public that we are here and that we are the good guys. We need to watch our manners on the road. How the driving public sees us on the road will give them a lasting impression and we want it to be good.

When was the last time you talked to your children, grand children, neighbors and friends about motorcycles and looking out for us on the road? Have you ever asked them "hey when you are on the highway do you ever see motorcycles?" They may say "yeah when they are speeding by me". Though that may not be the way we want them to see us, but if they at least see us it is a good thing.

It is up to us to make the driving public aware of us. We need to set the example. We need to be the good drivers. We need to remember that **"MOTORIST AWARENESS IS EVERYWHERE"**.

"Take me Take me to the water Summer Time, Summer Time, Maybe we can fall in Love I listen to the rain outside Please come and take me for a ride"

I thought about those lyrics and I don't think they meant the terrible heavy rain. WOW have we had rain! Well we all know that when it rains and we ride!

Bill & I had a great time in at the Alabama District Rally in Eufaula Alabama. Tim & Nancy Morisy joined us for the week and Phil Baxter also came up for a couple of days. Thanks for joining us! BOY WAS IT HOT!! We had some great rides while we were there. We found out that Don Scanlon had worked there for 17 years! Who knew? Also Tim & Nancy went to the Center Helicopter Museum, here we found out that Don Scanlon had worked there for 17 years! Who knew? Also Tim & Nancy went to the Andersonville National Historic Site and learned a lot about the prison and the horrible times. Sad but very interesting.

We have our Dining Around the World to Asia this month on July 13th. We are excited to try a new place KAL 88 HotPot in Boynton Beach. Sounds like the horrible times. Sad but very interesting.

Monday, July 15th Don Hotchkiss has arranged a meeting with a new school and looks like FULT. Please let us know if you will be joining us!

We have our Christmas in July picnic coming up July 28th, 10:30am - 1:30pm. Please make plans to join us. Please arrive by 9:30am to help with the setup. If you can that would be awesome. Don't forget your toy! Location of the picnic will be given at the gathering and updated on Group Works. Remember these toys will help out for the 2nd gift we give the children at the Santa Sligh Ride. If you don't want to bring a toy, bring \$10.00 for the event and our Elves will do the shopping! See the flyer in the newsletter.

We end our month with our Mid-Week Ride to Ellie's Diner, again in the morning to beat the heat! See the calendar at the end and keep an eye out on Group Works for updates and the reminder phone calls. See you at the Gathering!

IMPORTANT!

We have a Guest Speaker for the August 5th Gathering! Please come and listen and learn about Sky Med. If you haven't heard about it - now is the time. If you have heard about it, come and listen as you may have missed some important information.

I want to thank Nancy & Tim for organizing and everyone that attended the Christmas in July Picnic on the 28th of July - What FUN we had with FL1-B Brandon, FL2-A West Palm, FL2-E Miami, FL2-G Ft Myers and FL2-R Fort Lauderdale. We had a lot of people on vacation for this event, but we still had a great turn out. We are way ahead of toys from where we were last year at this time! We have a new school that we are supporting this year, Highland Elementary. Don & Elaine did a great job locating a school that really needs the help and will appreciate the toys received. It will be in Lake Worth this year. We are very excited as is the school. The Santa Sligh Ride will be held on December 14th.

The Holiday Party this year has moved. The new location is different than where we have been but it looks to be FUN for us. It is being held on SUNDAY December 15th at "Broque's Down Under" restaurant in Lake Worth. They have a back room and we will have a buffet. We are looking forward to the change. SAVE THE DATES! December 14th Toy Run and December 15th Holiday Party.

The weather has been extremely warm and lately a little wet too. This has not stopped FL2-A from getting out there and continuing to have FUN. Please check out the calendar and save the dates & join us in the FUN that we have.

See you on a ride real soon!

Well Hello Everyone! First of all I want to again send my sincere thoughts to all of our members that had to endure the stress of preparing and worrying for hurricane Dorian. I know even though we were out of town with some of our chapter members, we too had stress of the unknown. Let us hope we don't have to do that again. I also want to send our thoughts and prayers to the folks in the Bahamas. You don't realize how precious life is until something like this happens.

Congratulations to FL2-A for capturing the Wanderer at Wing Ding! We will be announcing the date and time for a give away as soon as we can.

I also want to thank everyone that came to Wing Ding in Nashville. Thanks to Bill, Cheryl, Harold, Diane, Wally, Bonnie, Cliff, Cynthia, Dan, Ray, Claudia, some serious shoppers in our chapter. Can you guess who they are?

Wing Ding for 2020 is in Springfield Missouri next year. Please make plans to attend now. There will be information at the gathering. Email notifications were sent out last week.

Upcoming events that we will be going to is Georgia District Ride in through the beautiful mountains near Dillard Georgia and then the following week is North Carolina District Rally being held near Maggie Valley. There is still time for you to join us!

Please save the dates below for our Santa Sligh Ride and our Holiday party. Always a FUN time.
