JULY 2020

Hello Everyone, Wow July, we are finally half way through this year! We have a couple of things going on this month. We have our Virtual Ice Cream Sunday - being held July 5th and July 8th we are having a Kick Tire at the Sonic Drive In in Boynton - this is an outside venue with plenty of room to social distance. Our virtual Chapter Gathering is July 13th. Watch your email and GroupWorks for your invitation!

Don't forget to check out the "Virtual Wing Ding" being held on Facebook They are having give aways and surprises. Started 7-1-2020 - 7-4-2020. Check it out hourly on Gold Wing Road Riders Association Facebook page. On July 2nd they announced that Bill & I were awarded as **Director of the Year as Chapter Directors!** What an honor. You can also see the video at the Florida District Facebook Page,

Our motorcycle is down at the moment and going to the doctor on Monday July 14th. Check engine light is on and flashing....Bill tried to take a ride the other day for the Support the Blue ride, and had a heck of a time getting it started. Once it did start, that is when the light started flashing. Better safe than sorry. We went ahead and took the truck and followed everyone in the parade. It was a 30 minute ride from Boynton into Delray and back again. We ended back at the sunshine square plaza at Woolbright & Federal and everyone said the Pledge of Allegiance and disbursed. What a nice day.

We didn't plan a lot this month as the Covid numbers have increased. We do have a ride scheduled on July 18th leaving at 8:30am to Harry & the Natives - Outdoor Seating. This may change but either way there will be a ride. We will make sure it is on Facebook, GroupWorks and Call Multiplier.

We do have the Raffle Tickets ready to sell. Remember if you sell the winning ticket you win \$200. Prizes this year are 1st place: \$10,000 2nd place: \$1,000 3rd place: \$500
Let me know how many you would like to sell. We need to sell a lot!

Congratulations to Claudia Vega as being selected as the **2019 Motorist Awareness Coordinator of the Year.** Great Job!

I hope you have a safe and enjoyable & quiet July 4th. We are staying home and being quiet here.

Talk to you all soon!

Bill & Cheryl Smith Florida District Directors

Greetings Florida – The GWRRA FUNshine State! Well, we did it! We had a Mini Closing Ceremony on June 13 th and passed out awards, made some appointments and pulled the Rider Education Raffle Tickets! You can go to the District Website, gwrraflorida.com, and see all of the results of the Ceremony including YouTube Videos! Due to Covid 19 Restrictions we restricted the attendance to 50 people and everyone was required to wear a face covering/mask. The District provided lunch and we played a FREE Bingo Game to start off the festivities. There were three winners of the coverall game and each won a \$10.00 Walmart Gift Card! Please read Rick and Madalena Buck's Article for Recruiter Of the Year, District Couple and Person Of the Year details.

Please read Nate and Danelle Kinion's Article for Motorist Awareness Coordinator of the Year details. Congratulations to Tim Poppell and Carl Williams on the 2019 Recruiters Of the Year, Dominick and Diane DeSiato on the 2020-2021 District Couple Of the Year, Nancy Givens on the 2020-2021 District Person Of the Year and Claudia Vega on 2019 Motorist Awareness Coordinator of the Year! Chapter FL1-A, Tampa, took home the 2019 District Visitation Wanderer and Chapter FL1-F2, Ocala, took the honors of selling the most 2020 Rider Education Raffle Tickets at 7010! The 2021 Rider Education Raffle Tickets are Orange – FL1-F2's Chapter Color – and were distributed to the Chapters in attendance! If you haven't gotten yours yet to buy and sell contact your Chapter Director. If they don't have them on hand have them order some for the Chapter! Please buy and sell as many as you can in our restrictive and shortened time to raise money for Rider Education! Due to the shortened time to sell tickets we decided to only give away the \$10,000.00, \$1,000.00, \$500.00 and the \$200.00 to each winning ticket seller for 2021. If things get back to "normal" next year we will again bring back the chance to win a New Goldwing for the 2022 Raffle. All in attendance had a FUN time and it was great to see all of our friends again. We especially want to thank the entire Florida District Team who were all in attendance. Y'all are the BEST!

Many of our Florida Chapters have been having Rides and Kick Tires lately observing Social Distancing. Some have been having Zoom type of video conferencing in place of their Monthly Gatherings and some have had Team Meetings and Ice Cream Gatherings in the same way. If you are having any type of social gathering in person be sure to stay safe and respect others decisions to do what they think they need to do.

How many countries have the 4 th of July? Answer – ALL of them but we here in the USA celebrate Independence Day on the 4 th ! Many places have cancelled public celebrations but we plan on celebrating from home with a traditional BBQ and time with family. We hope you a FUN and safe celebration too!

Cheryl and I will be going to North Carolina September 23-26 even though they cancelled their District Rally. They are trying to put together some rides and we are ready to ride some mountains! After that we are going to Alabama for their District Rally October 1-3 and then Georgia for their District Ride-In on October 8-10. Then a quick trip home and off to Mississippi for their District Rally October 15-17. Unfortunately Louisiana has cancelled their Rally this year or we would have been leaving Mississippi to go there! That leads us to November where we have the FL1-K Chapter Rally on the 7th and the District Ride-In on the 8 th ! Please read Denis Turcotte's article for details on the Ride-In.

Cheryl and I hope to see you at any or all of these events to have FUN! Especially the FL1-K Chapter Rally and the District Ride-In! Until then be safe this summer, stay hydrated and be prepared for hurricanes and the like. Have FUN, always.

Dominick & Diane DeSiato District Ride Educators

We had a great Mini Closing Ceremony at the FOP Lodge in Seffner on Saturday, June 13th. We finally drew the winning raffle tickets and made many fun announcements. The first-place raffle ticket winner, Glenn Weaver, is from nearby Ruskin and was happy to take the cash. He said it would "come in handy". As a matter of fact, he is cashing the check as I type this. I know this because I just got an alert from the bank. The second-place winner, Eva Valentine, is the District Director of GWRRA in Washington. She bought the ticket on the Wings and Wavers cruise we took in February. The ticket was sold by Rose Cobb of Ocala FL1-F2. Which goes to show you, you should bring tickets everywhere you go. You never know. The third-place winner was Gail Curione, from Ocala and the ticket was sold by Ocala FL1-F2. All the winners were very excited to be chosen. A big congratulations to Ocala FL1-F2 for selling 7010 raffle tickets. Outstanding! Keep up the good work and thank you again for supporting GWRRA Education through raffle ticket sales.

Riding in the Heat

It's time to begin riding again. I find it interesting that we here in Florida are already altering our riding routine due to the heat, while we have members in northern states that are just pulling their bikes out of winter storage. ATGATT (All The Gear All The Time) is the only safe way to ride. I have heard it said: "cover any part of your body you want to keep." That includes covering exposed skin from direct sunlight to prevent the possibility of getting skin melanoma. Having scars from where skin cancer has been removed looks just as bad as severe road rash scars. I know the argument: "It's too hot to wear all that gear." Obviously expounded by someone who has never had a serious encounter with the pavement. I tell folks that it may be hot to wear all the proper riding gear but it is a lot hotter when you are in the emergency room and the nurse is scrubbing road debris out of your skin with a scrub brush and betadine solution (the orange stuff). There *ARE* summer riding jackets. The summer mesh jackets give you good air ventilation while providing proper protection. Wearing only a tank top under a mesh jacket works well. Having less material under your arms allows you to stay cooler. A person sweating a little under a mesh jacket dehydrates less than a person whose skin is exposed to the hot air blowing past their exposed skin. Compare the drying factors between the hot air blowing over your exposed skin while riding a motorcycle with how an electric hand dryer blower works in a restroom. Same effect.

Remember these hot weather riding tips: Don't ride in the hottest part of the day. Make frequent stops and hydrate often.

Ride safe,

Dominick & Diane
